

Let's plant one tree per child in Greater Shepparton

One Tree Per Child

School Expression of Interest (EOI)

Greater Shepparton City Council invites you to take part in our One Tree Per Child project in 2020. The global project aims to plant one native indigenous plant for every child aged under 18 years old between 2017 and 2021. This year's target has risen to 22,180 and we need your help to reach this goal. Planting a tree is often a child's first act of volunteering for their community and can lead to better health outcomes. It empowers children to recognise that they can make a personal difference in our community and local environment. The council will provide free indigenous plants, guards, stakes and weedmats along with planting equipment if required.

Let's plant a tree for every child and enjoy watching the trees grow as our children grow

To get involved please complete and return the form below and return to:

- Sustainability & Environment Branch, Greater Shepparton City Council, Locked Bag 1000, Shepparton VIC 3630
- 90 Welsford Street, Shepparton VIC 3630 between 8:15am - 5:00pm weekdays.
- onetreeperchild@shepparton.vic.gov.au or contact Council (03) 5832 9700.
