HOW TO FOLD YOUR CHATTERBOX!

1. Print and cut round outside of chatterbox
2. Fold in half along both centre lines
3. Open out, turn over so top is blank and fold each corner into the middle
4. Turn over and repeat
5. Turn over so you can see the pictures
6. Slide your thumb and your finger behind 2 of the pictures and press together so they bend round and touch
7. Repeat with the thumb and finger of the other hand for the other two pictures (looks like a birds beak!)
8. All the pictures should now be at the front with centres touching and your chatterbox is ready to use!
